
Title: Last Will and Testimant.

Author: Gorthin of Trinsic

I fear that soon... so
very soon... I will
either meet my doom
or walk these lands
forever in the service
of a great daemon... If
I refuse his offer I
know that I will be
killed, I have not yet
made my decision but
he comes tonight, he
prepairs for a great
battle and had
hundreds, to think...

My greatest
weakness is my
greatest blessing,
Karen, Tia and John, I
love you with all my
heart, know that if I
accept his offer to
fight in his army you
will all be taken care
of with gold and
oppertunity for all
your lives, but If I
decline I will have
lived by the code of
the Paladins of
Trinsic that I have
served for years...

To My Children I
leave each one
500gold from my
coffer on their 16th
birthday, and to my
wife I leave my life
savings of 17,000
gold and our small hut
outside of trinsic
proper.

My Sword, Armor
and Such... I leave to
My Son John.
My Wedding Ring I
leave to my Daughter.
All Else to my wife

Karen...

To the world, Know
this... Phakebrus
comes quickly!
